

# 2009 Tecate SCORE Baja 500

## 60 MPH Highway Speed Zone Information

IRC devices generate approximately 10 data points for each mile of highway section. A penalty will be assessed for each data point that exceeds 60 MPH. The penalty will be 30 seconds for each MPH that exceeds 60 MPH. The following example of speed data will result in a 24 minute penalty:

56 - 58 - 60 - 59 - 60 - 62 - 63 - 65 - 68 - 70 - 71 - 66 - 63 - 60 - 60 - 59

A competitor who finishes the race with NO DATA or MOSTLY INCOMPLETE DATA will receive the time penalties shown below. It is the responsibility of each competitor to ensure that the IRC device is properly installed.

### OJOS NEGROS - 60 MPH

1	On Pavement @ Junkyard	Race Mile - 35.74	1.07 Miles
1	Off @ HWY 3 / KM 39	Race Mile - 36.81	10 Data Points
